### **General update since last meeting/conference call:**

- One additional sponsor added for the conference - Tracy, Inc. Sapphire sponsor.
- NextGen is currently loading conference program info to the flash drives and permission was granted (consensus of President Beth Cilley and VP Ext. Affairs Patti Beck) to NextGen to add electronic copies of the flyers they will be distributing at their conference table to the material on the flash drives.
- UPS grant application is not yet active on-line.
- Pat O'Donnell has indicated that her efforts to produce a Journal this fall have not come to fruition. She has one article that has been submitted, but the remaining individuals who committed to submit articles have not done so. Pat is currently not working in student employment and so this position is now vacant. She asked that the article completed be considered for a future issue of the Journal.

### **Action Items assigned to me and results or progress:**

- Follow up emails sent 7/18/11 to volunteer interest survey respondents for VP External Affairs areas – Andrea Vojtiseh, Boston Architectural College; Desiree Noah, La Sierra University; and Adam Standish, College of Brockport
- Sent 132 emails to MASEA group on September 12 encouraging attendance at Seattle conference.

### **Issues that need attention and/or discussion:**

- Journal Editor vacancy
